

Scotty Hollow

Window and Door Specs

All windows are Harvey Windows, Majesty Line. The bay window needs to be measured, as each window at Scotty Hollow is not the same size, and is a special order. Color to be terratone.

Miscellaneous

- Storm doors are a one touch mid view, by Pella, can be purchased at Lowes, (see below).
- The front and back doors are Jeld Wynn diamond grids, double bore and can be ordered at Pelham Lumber 603-635-7555. Make sure that the door opening is measured by a professional and installed by a licensed and insured vendor.

Patio and Deck Door Slider

The replacements for your patio and deck door slider is the:

Frenchwood Gliding Patio Door manufactured by Anderson Door and Window. *If your unit has a beige trim, you must purchase the door with a **Sandstone** exterior. All other unit owners at Scotty Hollow must purchase the door with a **Terratone** exterior.*

There are no other substitutes permitted.
